Sir:

Applicant discloses to the Examiner under 37 CFR 1.56, and 37 CFR 1.97-1.98, as revised (1135 OG 13) and effective March 16, 1992, the information listed on the attached form PTO - 1449. This information may be found to be material to this invention under the current applicable patent law and as interpreted by the US PTO Rules, as cited above. Review and consideration of the listed references/information during substantive examination of this application is respectfully requested.

With regard to the foreign language patent documents cited, it is believed that the English Abstract or title fulfills the requirement for a concise explanation of the relevance of each document.

Applicant specifically emphasizes that this statement, and/or the act of

S.N. 10/619,969

identifying this information, is not to be construed as an admission that all or any of it is prior art to the specific invention disclosed and claimed. Also nothing in this statement is to be construed as a representation that this is the only material information to be found, or the best. If additional material information is discovered in the future, a prompt submission will be made to fulfill applicant's continuing duty of disclosure under 37 CFR 1.56.

Respectfully submitted,

KING & SCHICKLI, PLLC
